AMERICAN CLASSIC COCKTAILS

£9.00

The cocktail recently celebrated its 200th birthday, and its history is rooted in American lore from the early part of the 19th century, until it spread to this side of the Atlantic in the early 20th century. It is from this era that we draw our classic range. Elegance and sophistication were the order of the day, and nothing epitomised it more than sipping decadently from a Martini glass. Defined flavours, clean and simple blends of three or four ingredients were shaken and stirred to create something sublime. These offerings have stood the test of time and are now accepted as a truly definitive drinking experience. An experience we ask you to indulge in at PIMA.

Martini

The ultimate classic cocktail. It's origin is unknown, but thought to date back to the 1860s. It's fame stems from Prohibition era America where the availability of quality Gin led to the Martini becoming the predominant cocktail of the mid 20th century. Here at PIMA, one of our experts will stir your Martini to perfection, with your choice of Grey Goose Vodka, or Tanqueray Gin. Olive or twist?

Old Fashioned

Dating back to the 1880's, this cocktail was made popular at the Hilton Waldorf Astoria in New York City. Traditionally made with Bourbon, but here at PIMA one of our experts will mix you any Old Fashioned you like. Choose from:

Woodford Reserve (Bourbon)

Gosling's Black Seal (Rum)

Gran Patron Anejo (Tequila)

Manhattan

Created for, Lady Randolph Churchill (Winston's mother) in the early 1870s. She requested a special cocktail be created for a banquet she had organised for a presidential candidate. The result was the Manhattan. So named because it quickly became the most popular drink on the island. PIMA's version is made by shaking Buffalo Trace Bourbon with sweet vermouth and a dash of bitters. Garnished with a cherry. Perfect.
